

SWAMPLIGHT THEATRE

CORPORATE PARTNERS
PROGRAM

Love for the arts. Love for community. Love for life.

Swamplight Theatre is home to The Kay Butler Performing Arts Project, a not-for-profit performing arts organization inspired by the works of Kay Butler and carried on by those who learned from her teachings and inspirational belief that we all have something beautiful worth sharing.

Swamplight is a labor of love, a love for the arts...a love for the community...and a love for life. Housed in the old Southern Exposure Photography studio next to Acadian Cypress and Hardwoods, Swamplight is an intimate theatre experience producing live theatre and offering workshops, camps, classes and artistic opportunities for all ages and skill-levels.
